MIDDLE/UPPER GRADES ACTIVITY

Place your name in the center. Choose five different aspects of your identity and write each of them in the identity bubbles provided.

The form consists of five large, empty speech bubbles arranged around a central horizontal line. The bubbles are colored: light orange (top left), light blue (top right), light green (middle right), light yellow (bottom left), and light pink (bottom center). Each bubble has a small tail pointing towards the center line.
