## I Can Be an Ally.

By Juliette Hampton Morgan

You can be **WHITE** and be an ally with **BLACKS** to end racism.

You can be **BLACK** and be an ally with arabs/arab americans to end racism.

You can be a **MAN** and be an ally with women to end sexism.

*What other identity groups can you think of that can be allies for each other?*

You can be \_\_\_\_\_ and be an ally with \_\_\_\_\_ to end \_\_\_\_\_.

You can be \_\_\_\_\_ and be an ally with \_\_\_\_\_ to end \_\_\_\_\_.

*Make a Personal Choice and Commitment*

I, as a, \_\_\_\_\_ want to be an ally with \_\_\_\_\_ to end \_\_\_\_\_.

*Now find others in your class who want to be an ally with the same group that you've selected.*
