

## The Effects of Pollution: Who and Why

In the left-hand column, list groups of people who seem to be more affected by pollution than others. When you've got a list, fill in the right-hand column with explanations of why they are more affected.

PEOPLE AFFECTED BY POLLUTION

WHY THEY ARE AFFECTED BY POLLUTION

<p>Example: <i>People with asthma</i></p>	<p><i>Because they have physical health issues</i></p>
