

## Sometimes I HELP, Sometimes I NEED Help

We all have things we can HELP others with. We all have things we need help with sometimes, too! Write a short paragraph on each side of this handout and draw a picture to go with your paragraph.

SOMETIMES I HELP	SOMETIMES I NEED HELP
Example: I can help you if you are having a hard time finding something. I am really good at remembering where things belong, and I am very organized. I even help my parents find their keys sometimes! If you are having trouble finding a pencil or a notebook, please come to me.	Example: Sometimes I need help choosing a good book to read. I love to read, but I have trouble getting started. I'm not the kind of reader who can read just any old book. I need something really special, and a lot of times I need someone else to help me find one and get going.
