

I Will Use My Vote

A VOTING PLEDGE

 **I PLEDGE** to check my state's deadline and double check that I'm registered to vote at my current address, and I will remind five others to do it, too...

BECAUSE most states do not have same-day voter registration.

 **I PLEDGE** to check my state's laws and ensure I have the identification I need to vote in my district, and I will remind five others to do the same...

BECAUSE many voter-ID laws have changed since the last election.

 **I PLEDGE** to make an election-day plan and ask five others to do the same...

BECAUSE people who plan what time they'll vote and the route they'll take are more likely to turn up at the polls on election day.

**Because I care about the
future, I will use my vote.**
